

COURSE OPTIONS:

Option 1: Self Paced Online Course.

Self paced online course with 4 days of classroom training (Bloomington) with a ½ day review session on the 5th day. Books are included in this option. Cost: \$1000 (Non-Affiliate) \$750 (Affiliate)

**Online training can begin at any time. Available class room training dates are June 18-21st with the ½ day review on June 22nd; September 10th-13th with the ½ day review on September 14th.

Option 2: 1 Week Intense Class.

4 Days of class room training (Bloomington) with a ½ day review session on the 5th day. Field trips to practice blower door may be included in this option. Books are included in this option. Cost: \$850 (Non-Affiliate) \$625 (Affiliate)

**This option does not include online training. Available class room training dates are June 18th-21st with the ½ day review on June 22nd; September 10th-13th with the ½ day review on September 14th.

FIELD EXAM TRAINING:

We offer those that don't feel comfortable taking their field exam 1 ½ days of diagnostic training to prepare for taking the field exam. Cost: \$300 (Non-Affiliate) \$150 (Affiliate)

Available Dates: June 28th-29th or September 19th-21st

WRITTEN EXAMS:

You can choose at any time to take the written & field exams if you feel that you do not need any course training.

Written exams are usually given after the ½ day review sessions of the courses, or by appointment. The dates I have available right now are June 22nd & September 14th. Cost: \$400 (Non-Affiliate) \$300 (Affiliate)

FIELD EXAMS:

We generally schedule field exams after you pass the written exam. We try to accommodate as best as possible. Cost: \$450 (Non-Affiliate) \$350 (Affiliate)

NOTE ABOUT CEU's (Continuing Education Units)...

We do not check CEU's if you are recertifying. It is up to the student to check their status online with BPI. We also do not process CEU's, it is up to the continuing education instructor to provide the correct information to BPI.
